

MHSRC

Midlands Home School Resource Center *Application for Admission*

Thank you for your interest in MHSRC! The Midlands Home School Resource Center (MHSRC) has been established to serve the homeschool community in the Midlands. It is a resource center, not a school. Its goal is to aid parents who need assistance in teaching their child the middle school preparatory classes and the upper level mathematics, science, foreign language, history, and/or English courses required to graduate from high school and to prepare their child for college. The classes are taught from a Christian perspective and are rigorous.

Classes at MHSRC are 'a la carte'; you may sign up for one class or however many you need. Students will not be allowed to remain on campus between classes unless a study hall session has been selected.

Steps to joining MHSRC:

- Read Handbook and policies on our website at www.MHSRC.net.
- Submit an application, schedule of desired classes for each child (one schedule per child with classes circled) and \$200 check for Family Registration fee, made payable to MHSRC.
- Schedule & attend family interview and placement tests, if required by teacher (new families only).
- If accepted, submit first semester study hall fees (make check payable to MHSRC) and science lab fee (make check payable to Mrs. Schilling) and deliver to MHSRC.
- Visit the courses tab on our website to see the list of curricula that must be purchased prior to the start of classes.
- Attend mandatory orientation in August where you will get a supply list and syllabus, and pay first semester tuition fees (and honors fees, if applicable) with a check made payable to each teacher.

Application, fees and class schedule can be dropped off during school hours or mailed to:

PO Box 1468, Lexington, SC 29071

Application for Admission

By signing below you attest that you have read, understand, and agree to the following:

- I certify that my child is being legally homeschooled under the laws of South Carolina.
- I understand that classes at MHSRC are Christian-based, rigorous and taught at a College Prep level. Students will need to be mature, motivated and invested in their own education to achieve success here. Parents desiring an extra challenge for their students can add the HONORS option to selected courses, for a fee. MHSRC does not issue transcripts and therefore has no say in whether an association will accept the weight of Honors courses. Parents are ultimately responsible for all record keeping and educational aspects.
- I understand that Lexington Presbyterian Church has granted MHSRC permission to utilize the Resource Center building, playground and sports court and this privilege can be revoked at any time. Every child attending MHSRC should be mature and responsible enough to respect all LPC and MHSRC property. I understand and acknowledge that I will be financially responsible for any damage caused to the property by my child and/or my child's actions.
- I grant permission to MHSRC staff, teachers, and volunteers to administer basic first aid to my child as needed. If advanced first aid is needed, I understand that my child will be transported to a hospital or urgent care center either by personal car or by ambulance. I agree to pay all fees associated with my child's medical evaluation and treatments and to hold MHSRC staff, teachers, and volunteers harmless.
- I have read the online handbook (www.mhsrc.net), discussed the rules and policies with my family, and all have agreed to respect and abide by them.
- I understand that involvement in MHSRC classes and extracurricular activities is a privilege that can be revoked at any time. I agree to pay all registration, tuition, lab fees, etc associated with my utilization of MHSRC classes and agree to early withdrawal and late payment fees, as required.
